

## Placement Supervisor Workshop Spring 2021

Hello! This is an advert for our placement supervisor workshop. Our names are Ros Dray and Fiona Cusack and we are part of the practice learning team at Bournemouth University. We have put together some materials to create a placement supervisor workshop for Spring 2021.

If you are interested in supporting a student from Bournemouth University as a placement supervisor, then this workshop will help you understand what is required, and help you reflect on what it is like to support a learner in practice. Whether you are new to the role, or wish to refresh your skills and knowledge, you are invited to use the materials and join the online session.

### Content:
